STAFF BIO

This is my 3rd year at Canyon Hills High School and I am very excited to meet our students and work alongside them in their educational journey.

I was born and raised in South Korea and moved to the United States with my family as a child. I lived in Orange County until I moved to San Diego to earn my bachelors in science at UCSD. I fell in love with the city of San Diego during my time in college and proceeded to get my Masters in Education and have decided to work and live here since. I enjoy trying new food places, playing video games, and listening to/playing music (I play the Euphonium!). I also got married this year!

I look forward to getting to know everyone this year!
