OFFICE HOURS

Hello.

My office hours are during my prep time period. (12:30-1:15) Please let me know if you need to have a conversation in advance as this time period will also be used for IEPs, retrieving data, and access to students I need to talk with in person. It is usually easier to get a hold of me by email and I will respond back. (gricheal@sandi.net) Thank you.

STAFF BIO

I was born and raised in Sacramento, Ca. I transferred from community college there to San Diego State University where I received my

Bachelor's degree. I went back to school and picked up my Special-Education credential from Point Loma Nazarene and Master's in Education from National University. I have worked with children in after-school programs, as an aide in the classroom, and as a teacher.

I enjoy surfing, reading, playing my guitar, and working in my garden.

I am very proud of my life's accomplishments, but as we all know, there is always room to make things a little better. So, I will continue to give my best efforts in helping the students I work with reach closer to their goals and hopefully, they too, will go above and beyond their wildest dreams! It is amazing what direction, drive, and the proper supports can do for you. I owe quite a bit to a lot of people in my life (especially teachers) and have reached far beyond my initial first steps into adulthood. I feel fortunate everyday!
