STAFF BIO

Hi! I'm William. This is my 15th year teaching math, and my 11th year at Canyon Hills High School. I found my passion for teaching long ago, when I started teaching karate at the age of 15, which I did for 7 years.

I grew up in Coronado, CA. I graduated from Coronado High School in 2001, and went on to major in Mathematics/Secondary Education at UCSD. I earned my Bachelor's Degree in 2006 and my teaching credential and M.Ed. in 2007.

When I'm not teaching, I enjoy playing video games (yes, I'm a gaming nerd as well as a math nerd), going to movies, bowling, and travelling. I got married on July 15, 2018, and we celebrated our honeymoon in Fiji and Australia, and on a Caribbean Cruise. In December of 2020, we welcomed our first child into the world, our daughter Lily.

ABOUT CANYON HILLS HIGH SCHOOL

VISION

Canyon Hills High School is a diverse community of active learners, inclusive of all people and voices, committed to preparing our students to be lifelong independent learners ready for the complexities and challenges of tomorrow.

MISSION

We embrace our diverse community and promote equity, inclusion, respect, and self-advocacy. We achieve academic success, without feeling the pressure of conformity, by engaging in complex issues with creativity and collaboration to support our growth and learning.

Core Values (How do we live our mission to achieve our vision?)

Equity

We create and learn in our culturally responsive and inclusive classroom communities.

We empower students to express their ideas and voice.

We celebrate and raise up unique ways of learning.

We open access and provide equitable support through our systems to promote success for all.

We do not exclude or create barriers for some by ensuring our systems and policies are inclusive.

Belonging

We embrace diversity in a multiethnic world.

We feel valued, seen, and included.

We welcome all in a safe environment.

We model respect and place relationships at the forefront.

We support our students' emotional and academic needs in partnership with families and the community.

Thriving

We hold high expectations for ourselves and our students.

We teach relevant academics and skills that promote success beyond high school.

We create student-centered, academically challenging environments.

We promote self-advocacy and ownership of learning.

We provide multiple pathways to success.

We measure our growth and success over time as a means of continuous improvement.
